Colours And Fabrics

All of our gowns and dresses are made from delustered satin (a 100% polyester peau di soie with a smooth finish and a soft glow that falls smoothly into a soft drape) with the option to use dupion silk (a lustrous 100% silk fabric woven with two different colors and/or types of silk threads - one vertically, one horizontally - giving the fabric a shimmering quality) instead.

A third alternative is for you to provide the material for us to make your dress. Please contact us for a quotation.

We have a wide range of colours available from traditional white, ivory, and bridal white, through soft pale pastels to vibrant aquamarines and pinks. We have cool "water" colours, vibrant "fire" colours and "warm" earth tones. Please visit the web site at www.jcd.com.au for colour and fabric selections.

Once you have placed an order with us we will send you a fabric colour swatch set so that you can confirm your colour choice.

Ordering And Delivery Timeframes

We require a minimum of 5 weeks prior notice for orders from Australian customers (ie; a minimum of 35 days prior to the event). Unless you request otherwise, the dress will be despatched to you 7 days prior to the date of the event. These timelines will need to be ammended for international customers by adding 7 days to each.

If you are making arrangements for a dress with a long term delivery date (say, 6-12 months or longer), it's best to estimate the measurements that you anticipate the child will be at the time of the event. Estimated measurements given more than 12 weeks prior will be confirmed with you 6 weeks prior to the event, and before the dress is made. At this time you will be able to update any previous measurements given with final "actual" measurements for the child.

Shipping And Payment

A **deposit of 50%** is required to confirm your order. The balance is payable on completion, and prior to despatch.

Australia And New Zealand: Delivery is free of charge including packaging, registered postage and insurance. We will despatch your dress 7 days prior to the date of the event it is to be worn at, unless you specify earlier delivery. Please allow 2-4 days for delivery.

All Other Countries: Delivery is \$50 per gown including packaging, door-to-door receipted courier delivery and insurance. We will despatch your dress 14 days prior to the date of the event it is to be worn at, unless you specify earlier delivery. Please allow 4-7 days for delivery.
